HELPFUL TIPS

Make Up Application:

Please cleanse and moisturise your skin in advance. Wear old clothing as make up may transfer from the skin onto your garments during application.

Tinting and Waxing:

If you have not had tint/waxing treatments in the last 6 months, you must book a patch test at least 48 hours in advance.

Tanning:

We recommend that clients exfoliate well before the application of tan. Don't apply moisturiser or deodorant beforehand. Please bring loose dark clothing and flip flops to wear afterwards.

Thermal Suite Experience:

As the thermal suite experience includes wet areas such as steam room, jacuzzi, and experience showers, clients should bring their own swimwear.
